

Dear Parents,

We are always in need of help, both in the classroom and at home. A great way to be supportive and involved in your child's preschool education is to become an active partner with your child's teacher, both at home and at preschool. Volunteering your time will demonstrate to your child that you value and support his or her education. If you are interested in volunteering please indicate your areas of interest. This is **NOT** an official commitment.

Of course, I Would Love to Volunteer!

At Home

- _____ Make dress-up clothes, doll clothes, aprons, hats, etc.
- _____ Tasks such as cutting, making playdoh, prep an art activity, etc.
- _____ Bake
- _____ Repair a toy that has been broken

At School

- _____ Help in the classroom (read a story, assist with an art or cooking project, etc.)
- _____ Substitute in the classroom (you get paid!)
- _____ Share a special skill (demonstrate a musical instrument, share your occupation, etc.)
- _____ Provide assistance with office work (laminare, put packets together, etc.)

Special Events

- _____ Fall Festival (October)
- _____ International Dinner (January)
- _____ County Fair and Silent Auction (April)

Please list any other way(s) you would like to participate in your child's preschool experience.
